

Post Results Services

Do you think that there has been an error made with your grades?

Ensure that you speak to staff as soon as possible as your grade can be checked.

If we agree that it is worth checking your grade then there are Post Results Services available.

Please note that all Post Results Services must be made by the School.

Service 1 - Clerical Check

A Clerical Check includes:

- that all parts of the script have been marked
- the totaling of marks
- the recording of marks.

As part of your request, a copy of your exam papers will be accessed to help you/staff decide what to do.

Service 2 - Review of Marking

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly.

The awarding body will train its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

This service includes the clerical check detailed in Service 1 and a review of marking as above.

Deadlines & Fees

The deadlines for applying for these Post Results Services is the 24th September 2026.

Fees are listed overleaf and you will be charged for each request by Brannel School.

In certain circumstances, you will not be charged and receive a refund if the overall grade is changed as a result of a clerical check or review of marking.

Consent

As a school, we require consent from candidates in order to request Post Results Services from awarding bodies.

Forms must be completed using the QR codes and a separate form must be completed for each paper/request.

As part of this process, you must accept that your grade could go down, go up or stay the same as part of the exam board checks and appeals.
