

Sunday 11th January 2026

Dear Parents, Carers and Families

I hope that you have had a good weekend and that those of you who lost power in the recent storm have had that returned. If you are still struggling with this and we can do anything to support please do get in touch.

I am very pleased to inform you that Brannel School has had its electrical power restored and due to the expert work and dedication of our site team and our information services team, we are ready to reopen on Monday 12th January, without any restrictions.

As I wrote last Friday, due to the length of the power outage and Fridays closure we will have a limited food service available for learners on Monday. There will be hot and cold service, however, it will be limited in choice, whilst we catch up on deliveries of fresh food and assess what wastage has occurred.

I know that last week was significantly disrupted due to the effects of the weather, I would like to thank you for your support during this time. We are very much looking forward to 're-starting' this term and indeed the new year, with rigour and vigour as we welcome our learners back tomorrow.

Yours sincerely

Mr T Muller-Forster
Headteacher
